

Appl. No. 10/723,108
 Amdt. Dated 1/13/2004
 Reply to Notice of Allowance of November 3, 2004

REMARKS/ARGUMENTS

This amendment is in response to the Notice of Allowance mailed on 07/02/01. Examiner is thanked and Applicant agrees with the examiner's amendment set forth on page 2 of the Notice of Allowability with one exception. It was previously agreed that claim 21 was to be amended by adding the word "first" in front of "thermally conductive phase" for antecedent basis purposes.

Applicant submits that this correction does not constitute substantive new matter and requests the Examiner to enter this amendment. The issue fee will be timely paid in anticipation of the acceptance of this amendment.

Respectfully submitted,
